“New Directors” Program

Let WASCD help you develop the future leaders for your schools. Designed for anyone new to curriculum responsibilities, the WASCD New Directors Program includes:

- * New Director Orientation - September 30, Appleton, in conjunction with our Fall Conference.
- * Support via cohort groups –emails and individual phone contacts or meetings
- * Two professional development seminars, one each semester, designed specifically for the cohort group and presented by WASCD leaders

Please pass this information along to any new Director of Curriculum or other individuals in your district who are new to curriculum responsibilities.
